WHAT is an AMP PERSONAL ATTENDANT?

AMP Personal Attendants are screened, interviewed and matched specifically for each client. Personal attendants provide a wide range of services for anyone with special needs, disabilities, recovering from surgery, receiving rehabilitation services, in hospice and those who just need a helping hand from time-to-time.

LIVE-IN Personal Attendants

Perfect for those who just need someone they can depend on to attend to them around the clock.

HOURLY Personal Attendants

Someone to always attend to you to assist with specific tasks and activities at a specific time.

RESPIRE Personal Attendants

Relative caregivers also need to take breaks too. We are here to attend to you too.
